Dear Bass Seekers club members,

As of March 5, 2011, the following club tournaments are held on infested waters:

Date	Body of Water (County)	Aquatic Invasive Species
06/11/2011	Lura (Blue Earth)	eurasian milfoil
08/13/2011		
08/14/2011	Waconia (Carver)	eurasian milfoil
09/24/2011		
09/25/2011	Minnetonka (Hennepin)	eurasian milfoil, flowering rush, zebra mussels

Please inspect, drain, and dispose to prevent further spread of aquatic invasive species. Wash your boat and all equipment with hot water (104+ Fahrenheit) and optimally let dry 5 days before reuse.

**STOP AQUATIC
HITCHHIKERS!™**

Prevent the transport of nuisance species.
Clean all recreational equipment.
